

LOCH ARTHUR CAMPHILL COMMUNITY BEESWING

We are a vibrant and forward looking Camphill Community sharing life and work with adults with learning disabilities.

Most of us live in seven of the shared households which are home to a population of around 75 people, 28 of whom have a supported tenancy. We have families who have been here for a long time as well as some people who have recently joined us to make their home here.

We are supported by short term volunteers coming for 6-12 months as well as a number of employees working in our shop, café and in our offices.

Loch Arthur Community is now in its 35th year. Our 540 acres include the Loch which gives us our name, a large forest, a bio-dynamically run farm, productive gardens, creamery, bakery, craft workshops and our thriving farm shop and café.

We also share a rich social, cultural and spiritual life.
